

Day of Caring Project

On Friday, September 9th, Camp Fire volunteers raised the roof! Actually they replaced a roof on one of the buildings at Camp Optimist. This summer, Camp Fire collaborated with the Grand Rapids Optimist club to use their outdoor camp facility for our summer program. Four days a week, Camp Fire kids were exploring the great outdoors. However, the camp's craft building was in great need of a new roof and the grounds needed some TLC. Thanks to **Habitat for Humanity, Bissell employees, the Grand Rapids Optimist Club and Camp Fire volunteers** a new roof is now on that building and outdoor areas have been cleaned up. This was all part of Heart of West Michigan United Way's Day of Caring. We are a proud United Way partner agency and excited to have a project for the volunteers.

Thank you! Thank you! Thank you! Thank you!

And We're Off!!

Another year of after-school programs have begun. Every school day for the next 33 weeks, we will have after-school programs in 10 elementary/middle schools throughout the city of Grand Rapids. The kids are engaged in fun activities that extend their learning and provide them with a safe and secure environment. Camp Fire is proud of our long-term commitment to local children and youth. For the past 15 years, we have served thousands of kids and made a difference in their lives. **We couldn't provide all we do without your support.**

Please consider a donation to Camp Fire or volunteering in our youth programs.

Champions for Kids Luncheon

Come and get to know us at this fundraising event!

Wednesday, November 2, 2011

(please note new date)

11:30 a.m. Registration
